RCPP CRISIS TO OPPORTUNITY

Sierra Nevada Tree Mortality

The RCD is providing technical assistance to private non-industrial forest landowners in the form of site visits, creation of forest management plans, and promoting participation in the NRCS EQIP funding through the RCPP (Regional Conservation Partnership Program). This program is for land owners whom are looking to reduce the fuel load on their property. The RCD will be assisting NRCS with these applications through early 2023.

Direct Line for your Tulare County RCPP assistance:

(559) 754-3155

FORESTLAND MANAGEMENT

Cal Fire News Release

California Department of Forestry and Fire Protection

CALIFORNIA FOREST IMPROVEMENT
PROGRAM FUNDING ANNOUNCED
\$18 million in funding for the next 3 years

The purpose of the California Forest Improvement Program (CFIP) is to encourage private and public investment in, and improved management of, California forest lands and resources. This focus is to ensure adequate high quality timber supplies, related employment and other economic benefits, and the protection, maintenance, and enhancement of a productive and stable forest resource system for the benefit of present and future generations.

The CFIP application periods end on the following dates:

1. **October 30, 2021**
2. **December 30, 2021**
3. **February 28, 2022**
4. **April 30, 2022**
5. **June 30, 2022**
